All,

I am circulating for OAR final awareness review, responsive documents to a FOIA request from Politico, FOIA EPA-HQ-2017-008391. This is the fourth production set for this request. In reviewing the files, we believe there isn't any content to flag.

## Ex. 5 - Deliberative Process

Please review this PDF by **COB Tuesday, October 31**. We plan to release the documents later that week.

Please see FOIA request for more details. Note: The request has further clarified with the requestor and responsive documents include all internal communications regarding the Clean Power Plan, not just internal discussions regarding discussions with parties outside EPA.

Please let me know if you have any questions.

Thank you,

Jonathan Lubetsky
